NOTES:

Fiscal year 2011 allocations are subject to change pending passage of reauthorized Adult Basic and Literacy Education programs. A preliminary estimate of State allocations is provided above.

Grants made in 2009 included funds appropriated under the Department of Education Appropriations Act, 2009, and funds transferred from other Department programs, as authorized by section 804 of the Supplemental Appropriations Act, 2009 (P.L. 111-32).

The FY 2010 appropriation includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.
